

My Mosler Biography:

Cheryl (Meiner) Wirsing – I joined Mosler in 1972 as an order entry clerk at Plant 3. I was hired by Jack Smith to work for Gene Gabbard in the Service Parts Department.

When the Counter Service Division order entry process was moved from Buffalo, NY to Hamilton, I was recruited by Jack Smith to work at Plant 5. I processed orders for all counter millwork and undercounter steel until leaving the company in 1979.

My husband, Ken Wirsing and I met at Mosler; we both worked at Plant 3. We were married in 1975.

In 1979, we relocated to Dayton, and then to Canton, OH. Most recently, in 1989, we moved to the Grand Rapids, Michigan area where I worked as an executive assistant at a large regional medical center and subsequently managed general surgery/surgical oncology practice.

Ken and I live in Wyoming, Michigan. I am currently the Executive Assistant to the President & CEO at Founders Bank & Trust.
