

My Mosler Biography:

Sandi Lolling – In 1975 I was hired by Dave Donaldson at the Mosler Safe Company office in Springfield, Illinois as the Branch Office Secretary. When Dave was promoted, I continued in that position reporting to Steve Perkins.

In 1984 I relocated to the Evansville, Indiana branch to assist Don Carr in opening, organizing and operating the office as Customer Service Administrator.

In 1990, I was asked by Dave Miller to help establish a National Call Center in Hamilton, and served as National Call Center Supervisor. After Dave left Mosler, the Call Center was assigned to Gary Akey.

I joined EyeMed Vision Care in 2001 (a division of Luxottica Retail Group) in Mason, OH in their Customer Care Center until my retirement in April of 2013.

In my years with our company, I consider myself fortunate to have met and worked with so many wonderful people in our Mosler family.
